EASEMENT

SPRINGFIELD ESTATES DEVELOPMENT, INC., a corporation, the owner of certain real property situate in Pierce County, Washington, herewith grants to Springfield Waste Management Association, a non-profit corporation,

A non-exclusive easement for drainage, utility and sewer field and line in connection with a sewerage system serving all the lots of the owners of Springfield Waste Management Association, as amended from time to time, a current list of lots is attached hereto as Exhibit A, such easement to be for access, construction and maintenance purposes over, under and through the following described real property:

> Certain portions of Lots 141, 142 and 143, in Springfield as per plat recorded under Auditor's File No. 8011260320, records of Pierce County, as more particularly described on the attached Exhibit B.

That said Grantee shall have the right without prior institution of any suit or proceeding at law, at any time as may be necessary, to enter upon said property for the purpose of constructing, repairing, altering, or reconstructing said sewerage system; provided that such construction, repair, alteration or reconstruction of said sewerage system shall be accomplished in such a manner that the private improvements existing in the easement area shall not be disturbed or destroyed, or in the event that they are disturbed or destroyed, they will be replaced in as good a condition as they were immediately before the property was entered upon by the Grantee.

The Grantor shall retain the right to use the surface of said easement so long as said use does not materially interfere with the installation and maintenance of the sewerage system.

This easement shall be a covenant running with the land and shall be binding on the successors, heirs and assigns of both parties hereto.

DATED this 16th day of July, 1986.
